this increased figure reflects an increased focus on reporting of incidents associated with equipment failure or performance against operating requirements.

[^] Note that Tui and Kupe data reflects the periods where New Zealand Oil & Gas was no longer a JV member

- Tui and Kupe production only – ie does not include New Zealand Oil & Gas share of production by Cue Energy. Kupe includes Omata tank farm site and Kupe Wellhead Platform

** Includes Managing Director.

*** Senior Executives have an executive management role and report directly to the Chief Executive.

**** Excludes Senior Executives
